

High School and Middle School Choral Directors,

I am writing to let you know about a wonderful opportunity for your singers in grades 8-12. Once again this year, I am excited to be the organizer and director of the Atlanta All-City Chorus. This group is the resident choir with the ASO for their *A Very Merry Holiday Pops* concert series. In previous years, students have had the amazing opportunity to sing with a world class orchestra, and award winning guest soloists, Jodi Benson, Liz Callaway, Reginald Smith, Jr., Capathia Jenkins, and Morris Robinson This year the concert will feature acclaimed Broadway singer Allison Blackwell and the Melodica Men

We are inviting High School and Middle School directors to recommend students in **mixed quartets** to participate. This is open to singers in grades 8-12. Students should register online (with parent's permission), but will need your recommendation to participate. Please recommend **ONLY** those students that can be trusted to meet a high standard for rehearsal and performance (think All State or Honor Chorus). We have only a few rehearsals, so students will need to be trusted to practice and learn their parts at home.

Please review the attached document regarding the registration process. Print it and share it with students you would like to recommend. Our registration and recommendation process is completely online. Go to the website below to find the **STUDENT/PARENT REGISTRATION** form as well as the **DIRECTOR RECOMMENDATION** forms.

Please note that out of respect for your very valuable time (especially during the holidays) directors, though welcome, are **NOT** required to attend rehearsals and performances with their students.

Thank you for your help with this venture. Feel free to email me directly with any questions you may have.
